

International Courier Services in Bangalore

Ship abroad with confidence — from Bengaluru to the world. Clear pricing, reliable tracking, and doorstep service for every type of shipment.

GLOBAL SHIPPING MADE SIMPLE

What Bangalore Shippers Need Right Now

Door-to-Door Service

Pickup from your location in Bengaluru and delivery to global destinations — no middle steps, no confusion.

Transparent Pricing & Live Tracking

Clear, upfront costs paired with real-time tracking so you always know where your shipment is.

Customs & Documentation Support

Expert handling of paperwork and clearance to prevent delays at international borders.

The "Everything We Ship" Advantage

From sensitive documents to oversized cargo, we handle it all with specialized care.

Documents & Parcels

Contracts, applications, and parcels for corporates and individuals — handled securely.

Medicines & Food Items

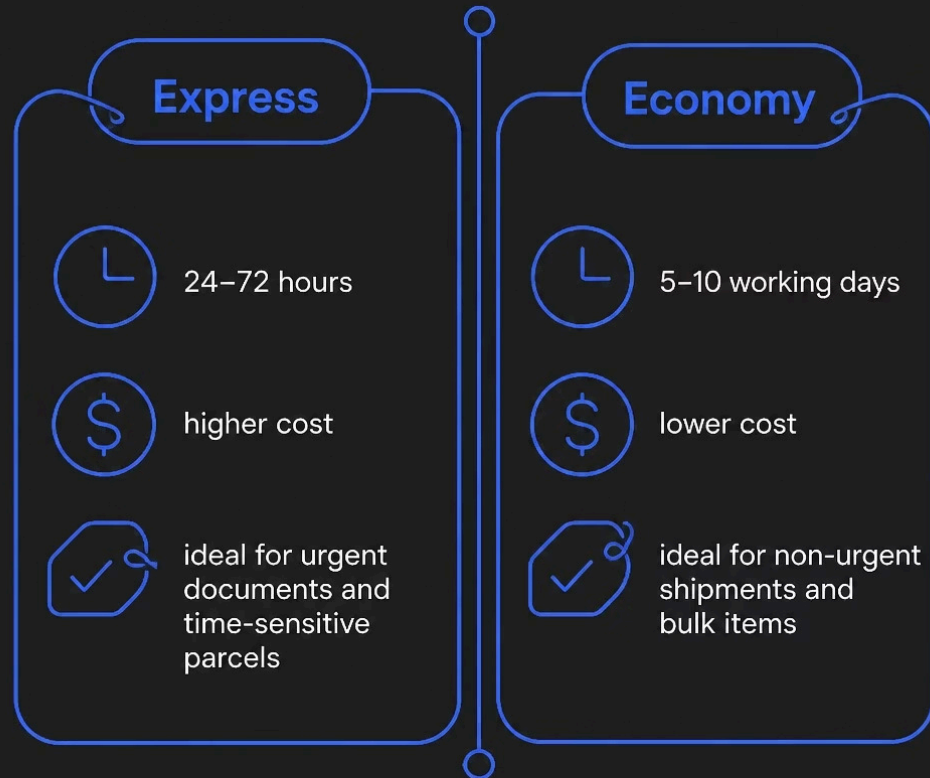

Special handling for medicines, pickles, and perishables with temperature-conscious packing.

Relocation & Student Shipping

Excess baggage, electronics, and cargo options tailored for students and relocating families.

Speed, Cost & Timing: How to Choose

Key Pricing Rule

Charges are calculated on the **higher of actual weight or volumetric weight**. Large but light parcels can cost more than expected — pack smart to save.

-  Global shipping typically takes **5 to 10 working days** for economy services. Express options deliver in as little as **24–72 hours**.

Your 5-Step "Ship Smarter" Plan

01

Book Doorstep Pickup

Schedule pickup in Bangalore and confirm your ID and packing list.

02

Professional Packing

Get items packed at pickup to prevent damage during international transit.

03

Choose Your Service

Select express or economy based on your delivery timeline.

04

Track in Real Time

Use your live tracking ID after dispatch for full visibility.

05

Optimize & Save

Pack compactly to reduce volumetric weight and request a destination-specific quote.
